Dean Niewolny has been a top tier manager and successful executive in the financial service industry, earning many accolades and awards for his leadership.

For the past 23 years, Dean has served in various executive roles with three of the largest financial firms on Wall Street. His most recent role being that of Market Manager for Wells Fargo Advisors overseeing a \$100mm market in Chicago. Dean has been an active member of Willow Creek Community Church, along with his wife Lisa. It was through trips to Africa that they both felt a definite tug on their hearts for the orphaned and the widowed. They recently completed an orphan home outside of Durbin as well as helping support Orphan Network. In 2010 He left the marketplace to take on the role of Managing Director of Halftime. He is thrilled to utilize his gifts and talents to help more people understand their own passion and purpose in their second half of life. As one that grew up playing sports and eventually college and semi professional baseball Dean enjoys coaching youth sports, especially his son's little league teams.

“The appetite to be significant appears to be at an all time high but most do not know where or how to identify their gifts and talent and how to connect to their passions. Halftime is the place to do that. There is no greater sense of accomplishment than to help an individual say, ‘This is what God has gifted me to do, I have found my Ephesians 2:10 calling.’”

“For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.” Ephesians 2:10

Dean and his wife, Lisa, have two children, Kennedy Ann (11), and Caden O’Brien (8). They reside in Southlake, Texas.
