

## Greg Murtha >>

For the past 12 years Greg has invested his life in launching and establishing the Halftime Group. Currently he serves as the Director of Connections using his skills and abilities to engage with individual Halftimers at the beginning of their **journeys to significance**. Through meaningful conversation, Greg befriends them and assesses their needs ultimately introducing them to opportunities and individuals that will provide encouragement for them on their journey.

Greg's Rolodex is legendary; over the years he has had the privilege to meet a number of outstanding people and as a result he has developed a robust network. He considers it a privilege to encourage others with a desire to follow Jesus in the second half of their lives.

Greg will be forever thankful to his mentor, Harry Crow, who encouraged and believed in him at a young age. Harry's introduction to Bob Buford, over a decade ago, was the catalyst for what has become an opportunity of a lifetime.

What good is it, my brothers, if a man claims to have faith but has no deeds? Can such faith save him?

James 14:2 (NIV)

"Only the believer is obedient and only he who obeys believes."

Dietrich Bonhoeffer

"Something is wrong when our lives make sense to unbelievers."

Francis Chan - Crazy Love
